

# Mitchell's House Mental Health Therapist Job Description

**Position Summary:** Contract Mental Health Therapist providing individual, group and family counseling.

**Purpose:** To provide outpatient mental health services within the organization.

## **Qualifications and Skills:**

- Master's Degree in Human Services related field
- Licensed or license-eligible in North Carolina
- Clinical experience and training in the areas of life-threatening and chronic illness, grief and loss counseling, individual, family and group therapy
- Play therapist certificate or credentials is a plus.
- In the event the candidate does not have a Master's Degree, equivalent experience and training in grief and loss counseling may be considered to meet this qualification
- Where applicable, employee must meet state specific requirements
- Strong communication skills
- Detail-oriented, able to multi-task, and possess sound organizational skills
- Flexible Schedule – ability to work afternoon, evenings and weekend hours

## **Responsibilities:**

- Provide individual, group and family counseling in a professional and ethical manner
- Maintain case notes in agency's Electronic Health Record
- Maintain Individual Professional malpractice liability insurance policy

## **Hours and Pay:**

- Hours flexible based on clinician interest; ability to serve a minimum of six clients.
- Pay based on experience.

**Mitchell's Fund** seeks to improve the mental well-being of children and families who have experienced trauma.

Mitchell's House provides counseling, art and play therapy services to children with a terminal or life-threatening diagnosis, their siblings and parents. Our licensed counselors and play therapists provide services like:

- Trauma informed therapy and coping skills
- Medical play, art and sand tray therapy
- Sibling and parent support groups
- Procedural preparation and end of life therapy
